

World's Best Dad Award: Instructions

Cut out the trophy and handles. Starting with the trophy, have your child write in their dad's name and include a special message on the opposite side of the trophy.

Next, make all of the indicated folds away from you, except the four folds that are clearly marked "fold toward you." Make sure you also fold the eight tabs away from you.

Now, starting with "A" tabs, glue them to the base and side of the trophy that they are nearest to. Do this with "B" tabs next, and so on until all of the sides are attached.

Cut out the handles, then fold in half away from you. Next, fold each of the tabs back so that they create a flat surface that you can glue to the side of the trophy. Do this for both handles.

Your trophy is now complete!
