

Instructions:

1. Print the playset on regular paper or cardstock and cut out the pieces. Do not cut along the dotted lines -- this is where you will fold the paper.
2. Fold each character in half along the horizontal dotted line. Using glue or double-sided tape, secure each piece so the design is two-sided. Do not glue or tape the tabs at the bottom, these will be used to make your characters stand.
3. Butterfly the tabs at the bottom of the characters outward; the characters should stand when finished.
4. Cut out the background and secure to a piece of cardboard or a wall.
