Trova l'uscita!

In questo labirinto il percorso dall'ingresso all'uscita è nascosto da operazioni di matematica. Risolvi correttamente tutte le operazioni e troverai la strada giusta fino al traguardo. Commetti un errore e verrai portato nella direzione sbagliata. Peggio ancora, prendere la strada sbagliata potrebbe rivelare un percorso di risposte corrette che alla fine si conclude senza uscita.

MATEMATICO

The maze consists of a grid of 10 columns and 10 rows of cells. Each cell contains a simple arithmetic problem. A red dashed line traces the correct path through the maze, starting from a red arrow at the top right and ending at the bottom left. The path is marked with small numbers indicating the sequence of correct answers.

Trova l'uscita!

In questo labirinto il percorso dall'ingresso all'uscita è nascosto da operazioni di matematica. Risolvi correttamente tutte le operazioni e troverai la strada giusta fino al traguardo. Commetti un errore e verrai portato nella direzione sbagliata. Peggio ancora, prendere la strada sbagliata potrebbe rivelare un percorso di risposte corrette che alla fine si conclude senza uscita.
