

MADAGASCAR 3

CIRCO 3D

PER INIZIARE

• Prima taglia tutti i pezzi seguendo la linea nera usando le forbici o un taglierino. **NON DIMENTICARTI DI TAGLIARE DELLE FESSURE SUI BARILI E SUL PALCO PER JULIEN E I PINGUINI!**

• Piega tutti i pezzi verso l'alto o verso il basso lungo le linee tratteggiate.

ISTRUZIONI

PALCO

- 1 Incolla il Bordo A con il Bordo B sul PANNELLO POSTERIORE. Allinea lungo i margini inferiori.

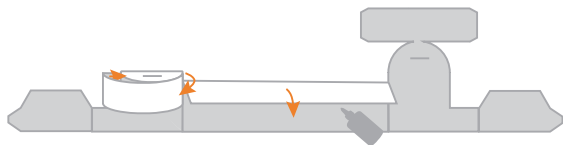

BANDA

- 1 Incolla i Bordi A alla BANDA DAVANTI. Incolla B ai BARILI.

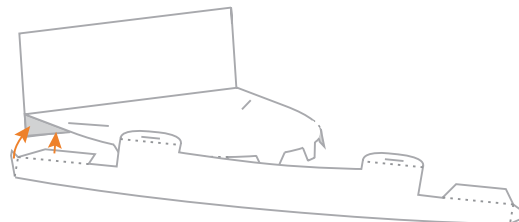

BANDA

- 2 Ripiega il Bordo C e incolla. Ripiega le parti alte dei BARILI e incolla i Bordi D, allineandoli con il margine del Bordo C.

- 3 Incolla i Bordi E sotto il palco. Poi, incolla i Bordi F e incolla i Bordi G. Usa il colore sul retro della BANDA DAVANTI per allinearla con il davanti del PALCO.

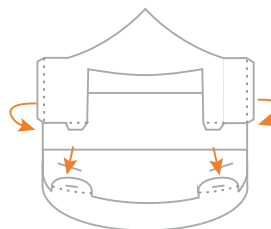

TENDONE

- 1 Incolla il Bordo A al lato sinistro del TENDONE. Incolla il Bordo B al lato destro del TENDONE

- 2 Fai passare i Bordi C del TENDONE attraverso le fessure del PALCO e incolla. Piega i Bordi C dei LATI DEL TENDONE intorno al dietro del PANNELLO POSTERIORE e incolla.
